## CONSTITUTION.

---

### I.

The Society shall be known as the New England Society of Orange. Its objects shall be to commemorate and foster the virtues of the Fathers of New England, and to cultivate social relations among its members.

### II.

Any person of full age, being the native, or the son of a native of any of the New England States, and any other person who may sympathize with the objects of this Society, may become a member on being elected according to the Constitution and By-Laws thereof, and paying the sum of five dollars to the Treasurer.

### III.

The property and concerns of said Society shall be managed and directed by a Board of Officers, members of said Society, consisting of a President, a First Vice-President and a Second Vice-President, six Counsellors, a Secretary and a Treasurer, to be elected and appointed annually, at such time and place, within the City of Orange, as shall be pro-

vided for by the By-Laws of said Association; and to hold office until their successors are duly elected. The Board shall have power to fill its own vacancies.

#### IV.

Amendments to this Constitution may be propsoed at the Annual Meeting, but shall be acted upon only after the lapse of three months, and shall require for their adoption a two-thirds vote of the members present at a meeting called for that purpose, or at the next Annual Meeting.

## BY-LAWS.

---

### MEMBERSHIP.

---

#### I.

The total number of active members shall not exceed four hundred.

#### II.

The name of any person duly proposed and seconded for membership, by letters addressed to the Membership Committee, shall be posted on the Bulletin Board, for a period of not less than six weeks previous to action thereon. Such person shall become a member upon election, as provided in article xvi., and upon the payment of an initiation fee of five dollars, together with the annual dues of the current year, to the Treasurer, within thirty days after the notification of his election. The annual fee shall be five dollars, and shall be payable on the first day of April. But any person so elected may become a life member upon the payment of the sum of fifty dollars at one time. All members shall be required to sign the Constitution.

Honorary members may be elected at the Annual Meeting of the Society by the unanimous vote of the members present.

## ELECTION OF OFFICERS.

### III.

The election of officers and of members of the Committee on Membership, as hereinafter provided, shall take place at the Annual Meeting. Immediately after the meeting has been called to order the presiding officer shall appoint a judge of election and two tellers, who shall forthwith declare the polls open and shall keep them open for the period of one hour. The Recording Secretary shall furnish printed ballots, which shall contain the names of all persons to be voted for who shall have been nominated by the Nominating Committee, as hereinafter provided, and also ballots containing the names of any other nominees, upon the written request of ten members of the Society. The judge and tellers shall proceed to count and announce the result of the ballot as soon as possible after the polls are closed, and the newly elected officers shall be installed forthwith. In the event of a failure to elect at any ballot, a further ballot shall be taken in such manner as the majority of the members present shall direct. A majority vote shall be necessary to elect the President, but a plurality vote shall elect in all other cases. The order of the Counsellors shall be determined by the number of votes received respectively.

## BOARD OF OFFICERS.

### IV.

The Board of Officers elect shall meet within ten days after the Annual Meeting, for the appointment

of its own committees, etc., of the Corresponding Secretary and the Curator for the year ensuing; a majority of the Board constituting a quorum for the transaction of business. At other meetings the Board may be governed by its own rules; but the approval of a majority shall be necessary to all appropriations of money.

## V.

The President, or in his absence, either of the Vice-Presidents, or, if these three officers are absent, any two Counsellors may call a special meeting of the Board of Officers.

## VI.

The Board of Officers may, by the concurring votes of two-thirds of all its members, given viva voce, and entered on the Minutes, suspend from enjoying the privileges of the Society any member who may be guilty of gross misbehavior or scandalous or dishonest conduct. Such suspension shall continue until revoked by a vote of two-thirds of the members of the Board of Officers, or until the suspended member is restored to the Society by the votes of two-thirds of the members present at an annual meeting of the Society. The Society has the right to expel for cause on the vote of two-thirds present at any meeting, after due presentation by the Board and notice to the party charged.

## VII.

There shall be two Standing Committees, each

composed of five members, three of whom shall be members of the Board of Officers. One shall be called the Committee of Public Welfare, whose duty it shall be to examine and report upon such questions of local public interest as may from time to time be referred to it by the Society. The other shall be called the Committee of Charities, whose duty it shall be faithfully to distribute and expend, according to the Constitution and By-Laws of the Society, all moneys appropriated by the Society or the Board of Officers for charitable purposes and received by the Committee for that object.

## VIII.

The Board of Officers may appropriate a portion of the annual income of the Society, not exceeding one-tenth, to the relief of indigent and unfortunate persons of New England origin. All other appropriations shall be made by the Society; but such as exceed fifty dollars, except for regular expenses, must receive the approval of the Board.

## DUTIES OF OFFICERS.

## IX.

The President, or, if he is absent, the First Vice-President, or, if they are both absent, the Second Vice-President, or, if these three officers are absent, a chairman selected by the meeting, shall preside at the meetings of the Society and of the Board of Officers.

## X.

The Recording Secretary shall keep a correct account, in a book provided for that purpose, of the proceedings of the Society and of the Board of Officers, notify members of the times of meeting, and perform such other duties as the Board shall direct. He shall advise the Committee on Membership of all vacancies, and notify the new members of their election as soon as informed thereof.

## XI.

The Corresponding Secretary shall conduct the correspondence with other societies, shall be ex-officio a member of the Lecture Committee, and shall edit the Society's publications.

## XII.

The Treasurer shall have the custody of the funds and securities of the Society, and pay and dispose of the same in pursuance of the orders of the Society, or of the Board of Officers, as hereinafter provided, and shall render an account thereof as often as called upon to do so, and regularly at the Annual Meeting. He shall receive the membership fees and dues. The annual dues shall be payable on the first day of April, or, in case of new members (who shall not pay twice within the same calendar year), as soon as they qualify. The Treasurer shall also report to the Recording Secretary monthly the names of all candidates who shall have

qualified or who shall have failed to qualify. He shall also report any member who persistently neglects to pay his annual dues, whereupon his name shall be stricken from the roll.

### XIII.

The Curator shall have charge of the Library and of the objects of curiosity or of science which may be acquired by the Society, and shall co-operate with the Committee on Rules and Rooms, in framing regulations for his special department.

### COMMITTEES.

### XIV.

There shall be a Membership Committee, consisting of nine members, three of whom shall be elected by ballot at the Annual Meeting, for a term of three years each. No elective officer shall be a member of this committee, and the names of its members shall be posted in a conspicuous place in the Society's rooms. No member of the Committee shall propose or second the nomination of any candidate for membership of the Society. The duty of the Committee shall be to consider the names of any persons who have been proposed and seconded for membership as provided in Section II. The proceedings of the Committee shall be secret and confidential. If, after due inquiry, the application shall be approved by a vote of the Committee, the names of the persons proposed shall be presented to

the Society at a regular meeting; whereupon a ballot shall be taken and the candidate shall be declared elected, provided not more than five negative nor less than ten affirmative votes are cast.

The election of each member shall be immediately reported to the Secretary and Treasurer, and his name shall be publicly posted for a period of sixty days thereafter.

## XV.

There shall be a Committee on Rules and Rooms of five members; an Auditing Committee of two, to audit the accounts of the Treasurer; a Library Committee of five, of whom the Curator shall be one; a Lecture Committee of five, of whom the Corresponding Secretary shall be one; a Committee on Local History; a Committee on Amendments of three and a Committee on the Celebration of Forefathers' Day of five—all appointed annually by the Society on the President's nomination. These committees shall report to the Society at the Annual Meeting and as often as shall be deemed necessary.

## XVI.

The Committee on Rules and Rooms shall report to the Society, for its approval, regulations for the use of the rooms, and may, in the interval between two meetings, decide any questions that arise; it shall also have exclusive charge of the economy and decorations of the Society's rooms, but shall incur no expense without the approval of the Society.

## XVII.

The Library Committee shall report the needs of the Reading Room and the Library, and propose means for their accommodation and maintenance.

They shall see that the books and periodicals are carefully treated, the Society's ownership in them plainly marked, and the source from which they are obtained suitably acknowledged.

## XVIII.

The Lecture Committee, which shall be appointed at the monthly meeting in April, shall arrange and conduct any course of lectures or other entertainments which the Society may authorize, and shall be limited in its expenditures by the appropriations made therefor.

## XIX.

The Committee on Amendments shall receive all amendments proposed by members, and shall report on them to the Society as hereinafter provided.

## XX.

The Committee on Local History shall collect and secure for the Society such facts and traditions of the early and local history of the community as may seem worthy of preservation, and shall report at the Annual Meeting, or so often as occasion may require.

## XXI.
